

## MERIT AWARD

This was set up to recognise and reward the personal achievement of a club member who has excelled far beyond their capabilities during the year. This could mean a steady progression of athletic achievements, over coming disabilities, or work in a voluntary role.

To be eligible to vote, or be voted for, club members must have joined the club on or before 31<sup>st</sup> August 2011, this is then giving them at least 9 months club membership.

All eligible club members, 1<sup>st</sup> and 2<sup>nd</sup> claim can take part in the vote.
