

## **WEAR THE VEST 2012**

The Club Committee have approved this competition, which is open to all fully paid up 1<sup>st</sup> claim members of Birkenhead AC

The idea is to give everyone in the club a chance to win a trophy at the end of the year regardless of age, gender or ability.

It will, however, require a great deal of dedication as the winner will simply be the person who has completed the most events during the year and entered as a BAC club member.

The event can be any distance from Seaside Run to marathon and beyond. It will include Road, Multi-terrain, Cross Country and Borders league. It will also include all BAC events, Handicap etc but exclude the Santa dash.

In fact any serious competitive event qualifies\*, and wherever the event is held.

\*The Committee reserves the right to judge on the suitability of certain events.

There are a couple of points, however, which are important to make.

1, Whilst all local team events will be automatically included, we cannot trawl through all the results if competing out of the County or Country. It will be necessary to let us know about any result and your number if you compete elsewhere. All details to the Chairman, Secretary and the Web Manager.

There is the point that if you compete for the club in any event then the club should know about it anyway

2, It will be necessary just to check that our totals equal your own, and if there is any difference we can supply you with the list we hold.

We can then make any necessary amendments so that we start with a comprehensive listing.

One of the main benefits is that the more the club colours are seen the higher our profile both locally and further a field. SO GIVE IT A GO!!!

Please direct any queries and your race appearance details to  
Chairman Andy Waring  
Secretary Norman Grundy  
Web Manager Andy Gardner

**This competition will start on February 1<sup>st</sup> 2012 and will run for 11 months this year, then go annually from 2013.**
